Javier ★★★★★ Reviews

🎓 **Experienced Tutor | University of Barcelona | BSc in Computer Science**

I hold a BSc in Computer Science from the University of Barcelona and have 17 years of experience teaching IB Computer Science and IGCSE ICT. I've helped students across various curricula, including A-Level and AP, excel in their studies and develop strong computational thinking skills.

Teaches: IB Computer Science | A-Level Computer Science | AP Computer Science

Curriculum: IB | A-Level | AP

Qualifications

University of Barcelona: BSc in Computer Science (2002-2006)

Polytechnic University of Madrid: MSc in Information Systems (2006-2008)

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

With 17 years of experience in teaching computer science, I have worked with students from grades 9 to 12, helping them navigate challenging curricula like IB Computer Science and IGCSE ICT. My teaching focuses on preparing students for both their academic exams and future careers in technology, offering a clear understanding of key concepts in programming, algorithms, and data management.

In addition to working with IB and IGCSE students, I have guided learners through A-Level and AP Computer Science, ensuring they gain the skills needed to tackle complex digital problems. My experience includes helping students excel in coding projects, technical case studies, and real-world applications, preparing them for success in the rapidly evolving tech world.
