Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

For the past 4 years, I have supported students in IB, A-Level, and AP Chemistry, focusing on building their confidence and understanding in complex areas like organic and analytical chemistry. Many of my students have significantly improved their exam scores, with some continuing to pursue scientific studies at university.
